

## House Resolution No. 4069

**Whereas**, the members of the Missouri House of Representatives pause to recognize the University of Missouri Greenley Research Center in Novelty, Missouri, which will celebrate its Thirtieth Field Day on August 2, 2007; and

**Whereas**, agriculture is an integral part of the economic, social, and educational structure of northeast Missouri, which is home to more than thirty percent of the farms in the state; and

**Whereas**, agriculture experiment stations provide farmers with an unbiased source of information to promote economic development in the region; and

**Whereas**, Greenley Research Center is celebrating its thirtieth year of providing agriculture research to northeast Missouri during the Center's Annual Field Day; and

**Whereas**, Field Day tours will begin at 8:30 a.m. on August 2nd and will conclude at noon with a luncheon and closing program; and

**Whereas**, Field Day tours will highlight the ongoing research being conducted by University of Missouri faculty in the areas of crop, beef, forage, and pest management:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join in extending our most hearty congratulations to the Greenley Research Center upon this very special anniversary event; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the University of Missouri Greenley Research Center in Novelty, Missouri.
